

Welcome everyone to the Benavente Tlaxcala Model of United Nations, BeMUN 2022!!!

Something big, full of experience, learning, growth, but above all, joy, is coming..... It will be an honor for us to count with your participation in our model. The skills for you to grow in this model are great opportunities to develop in a world full of need. And it will be necessary Delegates, as you, with solutions, ideas, and the aptitude to achieve a better world.

Advisors, Sponsors, we are very grateful, for giving us all of your support, we are working really hard for offer you the best of our attentions. We hope that your confidence grows over the years and that we can enjoy your company as much as possible.

We are almost out of two long years, where we saw ourselves in need, of confinement. leave activities, schools, jobs, but today, we are still stepping out of, therefore, in this online modality, the academic of beMUN, has gathered all the forces to make this an unforgettable model

Without no more to say, more than again, Thank You, I'm honored to welcome you to beMUN 2022

Let it begin
